

PRODUCERS CONNECTION LOGISTICS INC.

wwwpcl.com.ph

INTRODUCTION

Being in the industry for almost 2 decades now, PRODUCERS CONNECTION LOGISTICS INC. has been consistent in developing a strong relationship with its customers and business partners. With its steady performance and constant growth, PCL has become a preferred choice to several companies operating in the country in terms of product handling, distribution, transport, warehousing, and other logistics-related services.

To bring significant contributions to the country concerning energy management that delivers efficiencies, innovations, savings, and environmental benefits.

OUR ESSENCE OF EXISTENCE

A RELIABLE PARTNER FOR YOUR BUSINESS NEEDS

One important element of an effective partnership is making sure that your business partner understands the need to sustain profitable business and maintain competitive advantage. We make sure that we listen, recognize, and prioritize the requirements of our partners.

Currently backed by an organization of more than 700 dedicated men and women, PCL Inc. offers its partners, not just business, but also reliable, flexible, and transparent solutions to strongly address goals and milestones.

Furthermore, PCL Inc. over the years has groomed an organization that is customer-oriented thus creating significant advantages and benefits not just to the business but especially to its customers. We believe that a sound relationship to all parties concerned is a strong foundation for a continuing partnership

Indeed, we take partnerships seriously.

"we do our best, we triumph, we conquer"

- PCL President

PCL QUALITY POLICY

PCL strives to provide its customers with sound and excellent logistics.

PCL is committed to build on its industry leadership by conforming to the Food Safety, Service Quality, Environment, Health and Safety standards. We accomplish this by understanding the needs and requirements of our customers and by complying to all applicable requirements, standards and statutory regulations. The management provides direct leadership and resources to promote its awareness to everyone and to maintain its implementation in our operations.

PCL aims for service fulfilment and high level of customer satisfaction. Our commitment to adhering to our operational excellence standards through continual improvement, and implementing cost efficient processes, will maximize value for the company, our co-workers, our customers and the community.

Moreover, PCL continually develop our people to become customer focused, result oriented and get them engaged in doing the job right the first time.

VISION

To be a preferred partner in distribution and logistics providing innovative and flexible solutions to clients and customers.

MISSION

To provide logistics and distribution services that feature solid advantages, flexible solutions, and transparency.

To develop an organization that is customer-oriented, competent, honest, and trustworthy.

It is the policy of the Company to provide its Code of Business Ethics. The values that set the ground rules for all that we do as members of the PCL organization. A guide of its employees and all are expected to observe the highest standards of ethics and integrity in their conduct and ways of working. This means following a basic code of ethical behavior that governs the company and to ensure the business is:

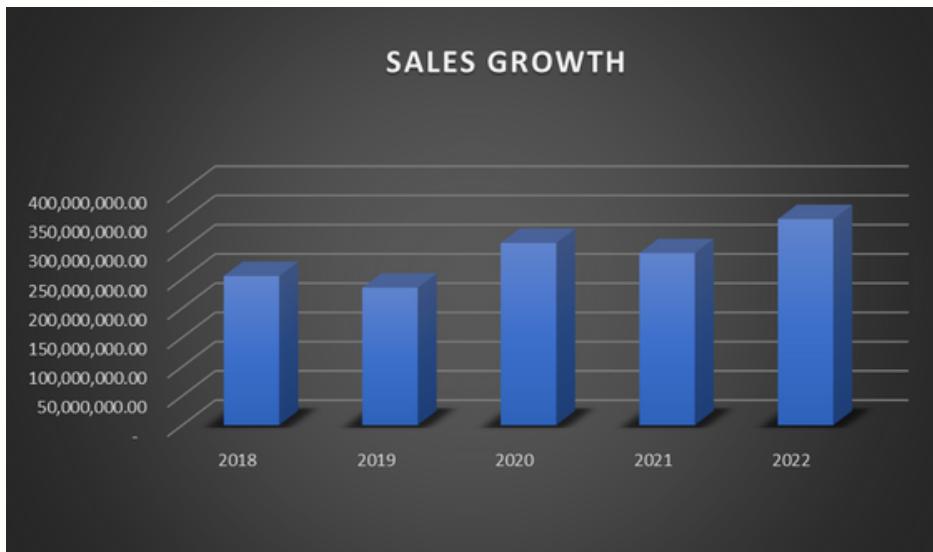

w w w . p c l . c o m . p h

- Led by reliable, supportive, and industry professionals Management Team.
 - Conducted lawfully and with integrity. We don't tolerate bribery, corruption and any unlawful act.
 - Based on the principle of transparency and fair play between PCL, its clients, and different stakeholders.
 - Treating people as its valuable resource, ensuring humane treatment, and continuous career development to its employees.
 - Operated with high regard to Health, Safety, Security, Environment, and Quality.
 - Returning the favor to society by sharing faith and blessings through various corporate social responsibility activities.
- PCL will be challenged to balance these principles but we, as an organization is always mindful of our promise to our stakeholders and shareholders that we will achieve responsible commercial success.

CODE OF BUSINESS ETHICS

SALES GROWTH
